

Breakfast Café Operations Adjustment Effective Wednesday, September 13, 2023

As a family-owned business deeply rooted in hospitality, it's with a mix of gratitude and vulnerability that we share some adjustments to our breakfast café operations.

Beginning on September 13th, due to kitchen staffing challenges, our breakfast café will be closed to the public on Wednesdays.

Our dedicated Head Chef and Café Staff have been putting in tremendous effort, tirelessly working every single day to navigate through the staffing hurdles we've encountered. We believe it's our responsibility to look after their well-being and grant them the respite they truly deserve.

To ensure the continuation of the hospitality you expect and deserve, we will provide a complimentary breakfast alternative to our hotel guests on Wednesdays.

This decision, while necessary, brings a touch of heaviness to our hearts. Our inn has always been a place of open arms, welcoming both the local community and our valued guests. Please be reassured, however, that this adjustment will not in any way compromise the exceptional experience you have come to expect and enjoy.

We look to you for support and understanding during this transitional phase and appreciate your continued business.

With sincere appreciation,
The Atlantis Oceanfront Inn
